<sup>3</sup> Pursuant to Paragraph 2(b) of the De Minimis Settlement Procedures, the Debtors provided ten (10) business days' notice of any proposed Settlement where the Settlement Amount for a Claim was more than \$1 million but was less than or equal to \$10 million to (i) the U.S. Trustee, (ii) counsel for each of the Committees, (iii) any party to the Settlement; and (iv) any third party providing consideration with respect to a Settlement (each a "Reviewing Party," and collectively, the "Reviewing Parties"). The Reviewing Parties did not raise any objection within the 10 business day timeframe and, accordingly, pursuant to paragraph 2(c) of the De Minimis Settlement Procedures, the Debtors were authorized to proceed with such Settlements without further order of the Bankruptcy Court.
